Meeting Notes:

- The school budget will be finalized by February 5, 2024. Waiting to see what that will look like with the increased enrollment that would make the determination of additional staff.
- The school enrollment has increased this year from our projected enrollment of 70 to about 133 students.
 - We have about 15 new students added in the second trimester and
 - about 15 new students coming in the third trimester. We currently have a waiting list.
- The opportunity to increase staff with an Assistant Principal, a para (community liaison), and 1 or 2 core content teachers. Every CSC member was in agreement with the idea of adding the additional staff.
- The CSC meetings are to be held quarterly and we have met that goal and may possibly add another meeting the week before spring break.

Next Steps:

Recruit more parents for the CSC committee.

Next Meeting

- We are planning a CSC meeting possibly the week before Spring Break.
